

**AGREEMENT OF CONDITIONS:**

The following outlines the terms, conditions, and policies set forth by Too Cool Motorcycle School Inc. (TCMS) pertaining to registration in a course with TCMS. This is to help assist you in preparing yourself for your course.

**Terms & Conditions:** Effective December 27, 2018, precedes any other copies

Submitting your registration and payment constitutes that you have thoroughly read in its entirety, understood and are agreeable with the following terms and conditions.

**I. Registration Prerequisites:**

**a. Basic Courses**

You are required to have a minimum class 5 Graduated Driver’s License (GDL) or equivalent and be at least sixteen (16) years of age to register – parental consent required if under the age of minority. You DO NOT have to have your written test done prior to your course.

You also **MUST** have the ability to proficiently ride a 2-wheeled pedal bike. We require that you start or get back on your pedal bike prior to your on lot practical session. **The inability to balance will mean that you will be sent home as balance is a requirement in order for you to safely operate a motorcycle.** The safety of everyone present is our paramount concern and therefore we must abide accordingly to our responsibility to not be negligent. In addition, you must do the homework that is provided to you. Failure to do so can and most often does result in unsuccessful outcomes for the student.

Test Preps: Must have graduated from the Basic Course and meet the licensing and age requirements as per the basic course.

**b. Refreshers**

You are required to have a class 6 Driver’s License, and be at least sixteen (16) years of age to register - parental consent required if under the age of minority. You will also require a full faced helmet, the appropriate riding gear, and a bike that is in proper working order, registered and insured.

**II. Registration Fees & Confirmation:**

You agree to pay in full the registration fee that is applicable to your course in order to secure your seat in the course. As your confirmation email and any correspondence that may follow will be sent to your email, it is your responsibility to make sure it is correct and up to date. Any issues or questions must immediately be brought up to TCMS. We are not responsible for courses missed as a result of any missed correspondence.

Modules required will be at the discretion of the instructor. To be done by 30 days unless otherwise arranged. Those requiring a full redo will have a 30 day mandatory waiting period in order to be more prepared.

TCMS reserves the right to reschedule a course in the event of weather or issues beyond our control. We will do our best to work with your schedule and our availability. However, the cancellation/refund policies will still apply if you choose to cancel. In the event that the reschedule occurs at the end of the season where we are unable to schedule you, your course will be deferred to the next season. Deferrals will only be allowed for one instance and must be done within one calendar year. Again the cancellation/refund policies still apply.

**c. Reasons for Dismissal & Termination of Registration including Pregnancies:**

If you are pregnant, this course is not for you. If you become pregnant after having booked your course, please contact our office immediately. Cancellation fees will still apply. If it is discovered that you failed to disclose or conceal that information in order to continue with the course, your registration will be terminated immediately.

As the curriculum is progressive, you are required to be on time to your class. Late arrivals may be turned away. Each module requires the successful completion of the previous module and therefore missing a day in whole or part will result in termination of registration for the remainder of your course.

Participants can and will be dismissed with the immediate termination of registration due to any and all behaviours TCMS finds to be inappropriate, unsafe, or illegal including the following reasons:

- Found to be under the influence of alcohol and /or drugs
- Going against the instructions of the coaches
- Harassment of any kind towards anyone including and not limited to a classmate, instructor, or staff of TCMS

No refund will be given in all cases.

**d. Substitutions, Transfers or Additions:**

Substitutions, transfers or additions of any kind are prohibited during the course. In some cases, a transfer will be allowed prior to the course at the discretion of TCMS with sufficient notice and all requirements/prerequisites are met. An administrative fee of \$69 will be due.

**e. Gift Certificates**

Transfers of certificate will be allowed under approval of TCMS and cannot be redeemed for cash. Purchasers can request reissue of lost certificates and will be subject to a \$23 fee. Cancellation and rebooking policies apply once certificates are redeemed for a course.

**Additional things to note:**

Riding a motorcycle is a sport and learning from scratch is both mentally and physically challenging. We will be patient with you. However, you will need to be patient with yourself and, most importantly, YOU must want to do it for none other than yourself.

TCMS reserves the right to refuse registration by anyone at any time and for any reason. Again, by continuing with this registration you are acknowledging that you have thoroughly read through this Agreement in its entirety and understand its contents. You certify that the information you have given pertaining to your registration is deemed to be correct and truthful. You also understand that you are to contact the office to make any corrections and/or additions to your registration.
